

## Exhibitor Info No. 7 WORLD OF FIREPLACES, 17 - 19 April 2023

### Extended order deadline for service bookings

Dear Sir or Madam,

By popular request, we would like to inform you today that we can extend the order deadline for service bookings in the AMS for you to 19 January 2023.

We would like to ask you to really consider this deadline as final.

Stand construction sketches can be approved via the Delegatis service portal of Leipziger Messe. You will receive an e-mail from the exhibition centre operator shortly. Please enter a one-time password on the portal and you will be guided through the entire process. After checking, you will then receive approval for your stand from Leipziger Messe as well as the requirements regarding your equipment on the stand. Please then immediately place your orders in the trendfairs service booking portal.

If you have **flues** on your stand, **approval** will be delayed until all exhibitors hanging on a main pipe have submitted their stand sketches and equipment details. We ask for your understanding.

Please also take a look at the updated products in [AMS](#). By the way, you can only place orders here if you have confirmed all the important information.

Please see the updated checklist [here](#).
